MEMORANDUM FOR THE RECORD

SUBJECT : Duping Equipment and Readout Racks on Loan to USAFE

REFERENCE: Memorandum for Colonel L.E. May, HQ, USAF from James Q. Reber, dated 13 July 1959; Subject: Loan of Two FR-114 Recorders and A, B-1 and B-2 Racks to Air Force for Use of USAFE

1. On 1 March 1962 I requested Jim Reber to determine if the duping and readout racks on loan to USAFE per above reference could be returned to the project. He contacted HQ, USAF (AFCIN-C-1) and received verbal concurrence on this request.

2. On 16 March 1962 I contacted Major Bartel, AFCIN-C-1, (extension 75756) to arrange for the shipment of this equipment to Bolling Air Force Base for pick-up by us. He said the A, B-1 and B-2 racks were in serviceable condition and ready for shipment but that he would have to confirm the availability of the FR-114 Recorders. He said he would call back as soon as he had received a reply from USAFE.

3. The equipment will be shipped to Bolling Air Force Base, Attention: Lt. Colonel Peter J. McCarthy. When it arrives it will be turned over to Communications for use in the IDEALIST Program.
